### CZECH INTRO

Vítejte na virtuální procházce po Praze!

Společně s Adamem Gebrianem Vám ukážeme místa, která jsou svým charakterem pro Prahu typická. Místa, kde se staré setkává s novým.

\*\*\* I am sorry to say, but the following links we are about to share with you are sometimes only available in Czech, however, you can still use these webpages to take a look at the building images. If you are the patient type, then Google Translate is another option, if you wish to copy and paste in order read up on select passages that most draw your curiosity.

**Note:** Yellow highlights indicate links that were shared live during the tour broadcast.\*\*\*
